

# **Fen Ditton Parish Council**

## **Proposal on Double Lines on sections of High Ditch Road for meeting April 2016**

This proposal is a follow up to the rejection of the LHI Application.

Application number SC014 average score 1.92, threshold 2.8 required in SC. The Local Infrastructure and Street Management department is of the opinion “ the scheme had only limited improvement potential”.

Since applying for LHI City Deal has proposed major work along Horningsea Road, Ditton Lane which included the High Ditch/High Street cross roads as a result;

### **Proposal**

- Application for DYL as per the LHI application put on hold until City Deal proposals are finalised.
- FDPC coordinate with the City Deal Team to ensure DYL's fit in with any new road layout.
- Plans for DYL re-considered as necessary when new road layout finalised.
- Delegate authority to negotiate implementation of DYL's with the City Deal Team to Transport Councillors.
