

## FDPC - For meeting 3<sup>rd</sup> February 2015

Amendment and update on Proposal for Double Yellow Lines on sections of High Ditch Road.

### **Background**

Following the Parish Council meeting on the 4<sup>th</sup> November 2014, item 2014/159.

“The document, as published on the web site, was considered. In view of residents comments on the published proposal it was agreed that advice be sought from County Council Highways Officer regarding re-alignment/raised area at the corner of High Ditch Road and Horningsea Road/Ditton Lane and/or double yellow lines around the same corner. It was agreed that the proposal be adopted, reconsidered following advice and published on the web site. “

### **Follow-up**

A meeting took place on High Ditch Road on the 13<sup>th</sup> Jan 2015 between Cllr Farrar the Highway Officer and policy advisor to discuss the proposal from the 4<sup>th</sup> November 2014.

The following recommendations/comments were noted;

- The proposal of DYL's on the north east corner of High Ditch road was acceptable.
- The policy advisor commented that pull-in's to allow traffic to pass as proposed at Mulberry House and Francis Court was “Best Practice” under CCC guidelines.
- A possible solution to the loss of a few parking spaces is to have part time restrictions. Consideration should be given to peak/day time restrictions only.
- The policy advisor commented that parking opposite DYL pull-ins does not normally occur. If it did, it would cause an obstruction and be an offence that should be handled by the police.
- Any DYL's on the west side of the road must extend west far enough to allow crossing west of the traffic furniture. It is recommended we consider this location for DYL's.
- Costs may drop significantly after March due to a proposed change in national legislation.

### **Proposals**

That the original proposal and the above comments go on the web site as a consultation.

A final decision made after the cost reduction proposals are implemented.

Consideration should be given to peak/day time restrictions only for the DYL's outside Mulberry House and Francis Court.
